#### Error Resolution Notice

If you think your statement or receipt is wrong, or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number (if any),
- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
- 3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will re-credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation,

### Preauthorized Transfers:

If you have arranged to have a direct deposit or other preauthorized electronic fund transfers made to your account at least once every 60 days from the same person or company, you may telephone us at the Customer Service Center number listed below to find out whether the transfer was made as scheduled.

## Nonsufficient funds (NSF) fees:

If an item drafted by you (such as a check) or a transaction you set up (such as a preauthorized transfer) is presented for payment in an amount that is more than the amount of money available in your account (i.e., your available balance), and we decide not to pay the item or transaction, you agree that we can charge you an NSF fee for returning the payment.

In case of errors or questions about your electronic transfers or NSF fees: Telephone us at 1-800-706-9991
